**Why do you want to serve on the SDRMA Board of Directors? (Response Required)**

The work of SDRMA is critical to the everyday operations of a Special District. Knowing that the district and the board is protected gives a 'Peace of Mind' to our daily operations. Sitting on this Board will give me an opportunity to give back to SDRMA and its membership. As a manager of a moderate sized Special District, I am especially interested in maintaining an involvement from that small district perspective. It is imperative that SDRMA maintains cost effective service to the Special District community and it's important that smaller districts have a voice in their insurance needs.

**What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)**

I spent three years as a Director for CSDA including one year as Legislation Committee Chairman. I currently sit on the CSDA Legislation Committee and am a Special District Administrator (SDA). Our District is in its fourth term as a District of Distinction which now includes the Transparency Certification. I currently sit as a Director with a city appointment on Kern Mosquito and Vector board. I have been a Director of the California Association of Public Cemeteries for 15 years and currently am Chairman of the Legislation Committee. I have been involved with the Kern County Special Districts Association since 1995 from when we worked to obtain LAFCo representation for Special Districts.

Most importantly, I have been a manager for the Kern County Cemetery District for 30 years and work daily to keep our cemetery district strong and effective in our community. To that end, I have the SDRMA General Safety Specialist Certification and with that training I work for a compliant, safe and healthy working relationship with our staff.

**What special skills, talents, or experience (including volunteer experience) do you have?  
(Response Required)**

I feel that community history is very important and am a volunteer with the local Historical Society. I also have sat on the local school board and have been involved with our youth through our church as well as our community through sports and especially by giving our young people a safe and entertaining place to visit after our home football games.

This being said, I feel that I am a committed and thorough person who knows that to get things done you must be involved and be able to think out of the box in difficult situations. You must listen to those around you and sometimes that means keeping one's mouth shut.

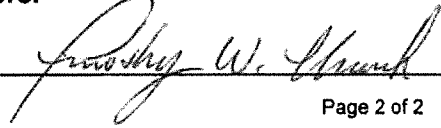

I have worked as a Manager for many years and understand the needs of special districts. What SDRMA offers is an integral part of special district operations and I feel that I can bring a passion for the practical needs of Special Districts.

**What is your overall vision for SDRMA? (Response Required)**

SDRMA has shown great concern for the Special Districts in California as is seen in their commitment to meeting our insurance needs. This is done by listening to the membership and continuing to work on being a better and complete insurance stop. I feel that the Health Insurance part of their programs will be the next large growth area. As we deal with PERB's and the needs of our work force, this area will help to meet the needs of our agencies.

Their education is excellent and they have defined their role in local government very well. It will be necessary to maintain this role and work to educate the membership. SDRMA's commitment to be a cost-effective insurance provider has work well in the past and will continue to do so as long as the Board and staff work together to fulfill their mission statement.

**I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.**

**What is your overall vision for SDRMA? (Response Required)**

SDRMA must operate as a viable business. Many district carriers and board members are reluctant to raise rates. When I served on Ca. Hospital Board, many of the board members were not willing to operate as a business because it would affect their hospitals bottom line.

**Why do you want to serve on the SDRMA Board of Directors? (Response Required)**

As an incumbent on the SDRMA Board I wish to continue providing the service and knowledge that I have been consistent with during my current term. As an insurance professional for over 44 years I bring the experience needed to manage the risks Districts are faced with. Over my term I have consistently made decisions to provide the protections necessary at the most affordable cost. Districts continue to encounter new challenges to their risk management programs. My years of experience, my continued involvement in insurance education and my desire to protect make me a sound choice to continue on the Board of SDRMA.

**What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)**

Current SDRMA Board Member. President Costa Mesa Sanitary District Board of Directors. Former City Councilmember for the City of Costa Mesa. Former Parks and Recreation Commissioner for the City of Costa Mesa.

Leadership positions, including Board President for the following: Little League Baseball, Boys and Girls Club of the Harbor Area, Costa Mesa Senior Center, The Albert Dixon Memorial Foundation (non profit providing funds for other non-profit agencies).

Over 30 years experience with Lions Clubs International. Served as District Governor, Club President several times. Chaired the California Convention Committee several times. Membership in the organization continues.

My leadership role in all these organizations gave, and give, me experience in the risks that face each. My insurance experience helps me make prudent decisions when challenged with those risks.

**What special skills, talents, or experience (including volunteer experience) do you have?  
(Response Required)**

Many of the organizations that I have either been elected to or volunteered for quickly put me in a leadership role. They recognized my ability to handle the risks and challenges the organizations meet. I was able to steer those organizations in a clear path to minimize the risk.

I continue to hold a teaching credential in Insurance Education with the local community college District. Additionally I was a professor of Insurance Continuing Education for many years. I have a passion for passing on the knowledge I have acquired over my career.

I have always faced the risk management challenges of any organization with the confidence that the desired outcomes would be realized. +

**What is your overall vision for SDRMA? (Response Required)**

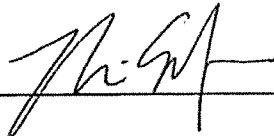

My vision is to continue providing the protection and service to the Special Districts that make them strong in their risk management efforts. I will continue to work for those ends while keeping strong my conviction that rates need to be adequate yet affordable for the Districts.

New technologies, changes in legislation, make it extremely difficult for Districts to keep up with the factors posing new challenges to risk management, insurance, etc. My experience in those areas, my position as an elected official, make me keenly aware of how to protect the Districts.

I will continue to be committed to making SDRMA the leader in protecting the risk management needs of our Special Districts.

**Why do you want to serve on the SDRMA Board of Directors? (Response Required)**

As a member of SDRMA, I've learned first hand the risk and challenges that comes with my type of Special District. I have played an active role in the cemetery industry in both the private sector and with special districts for almost two decades and was elected in 2006 to the Board of California Association of Public Cemeteries (CAPC). **Why do you want to serve on the SDRMA Board of Directors?**

I have served on the SDRMA Board of Directors since 2010. In 2017 I was elected by the Board to be the **Board President**. The Board strives to provide a variety of avenues for members to be successful and has adopted many important programs and policies aimed to provide members **cost effective coverage**. Each year, the Board **carefully considered** rates for services and from 2009 to 2016 voted to hold rates flat for the property/liability program. Through strategic planning SDRMA has a **strong financial base**. SDRMA has included **Cyber Coverage**; provided a **FREE Law Legal Hotline**; established a **multiple-policy discount** (5%) for each member who belongs to both the property/liability and the workers compensation programs; shares investment earnings with members through a **longevity distribution**; established the **loss prevention allowance funds** which reimburses members for safety-related costs up to \$1,000; launched and enhanced the SDRMA **interactive website**; provided **FREE online training** through Target Solutions; launched a **Safety Specialist Certificate** program; and contracted with Company Nurse to provide **FREE screening services** for work-related injury cases. I have worked closely with **SDRMA for 17 years**. I am attracted to its member-focused, pro-active, and positive mission. I would like to see – and be a part of – SDRMA continue this member-centric approach.

**What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)**

I am serving my eighth year on the **SDRMA Board of Directors** and in 2017 I am the Board President. I am serving my fifth year on the Board of Directors for the **Special District Leadership Foundation (SDLF)** and I am the Board Secretary. On this Board I have been part of the continuing expansion of the SDLF programs, including the premier program, **District of Distinction**, also the Special District Administrator Certificate, the Recognition of Special District Governance, and the District Transparency Certificate of Excellence.

My career experience with special districts has helped me to understand the issues specific to smaller organizations. I have learned what it really means for an organization to do more with less. I have also learned that political realities for special districts are distinct from other forms of governments. As the Deputy Director – Administration for the Mojave Desert Air Quality Management District, I am the staff representative to the Governing Board Committees for Budget and Personnel. I am a member of and have chaired the California Air Pollution Control Officers Association (CAPCOA), statewide committees for Fiscal and Human Resource officers. I organized and have chaired the Alternate Fuel Task Force for the Mojave Desert air basin; I have represented the District in the Antelope Valley Clean Cities Coalition.

My working opportunities have crossed several public service types. I served as the Victorville city representative to the Technical Advisory Committee for the Victor Valley Transit Authority and as the City representative and officer on the Executive Committee of the Regional Economic Development Authority. I volunteered four years on the Board of Directors of the Victor Valley Federal Credit Union. For six years, I worked as an adjunct professor at Victor Valley Community College teaching Public Works Administration.

As professional and as a volunteer, I have a wide range of experiences with organizational structures, long term and vision planning, development of staff and volunteers, and resource and program management. My experience of leading organizational activities and implementing change for growth includes bringing together intergenerational and multicultural groups to achieve common goals.

I am an effective manager with expertise in efficient and productive management implementing process improvements in finance, human resources, risk management, and a wide variety of related administrative and organizational functions. I have led highly skilled teams to support the achievement of overall agency goals and objectives.

I earned a Master's Degree in Public Administration from California State University, San Bernardino

I earned the Special District Administrator Certification from the Special Districts Leadership Foundation

I earned the Recognition of Special District Governance from the Special Districts Leadership Foundation

I earned the Masters Certification in Labor Relations from the California Public Employers Labor Relations Association (CALPELRA)

**What is your overall vision for SDRMA?**

I want to continue contributing my experience and expertise to SDRMA's overall function to further strengthen and enhance the lines of services provided by SDRMA. I want to be part of the mission to enhance the member's experience through claims management and education that leads to loss prevention.
