Re: Community Air Protection Grant Awards

Dear Greg Taylor,

The application for school bus replacements has been approved for funding in the amounts provided below. The replacement projects will be funded by the Community Air Protection Funds, allocated through Senate Bill (SB) 856 (Chapter 30, Statutes of 2018), which are Greenhouse Gas Reduction Funds from the California Cap-and-Trade Program. These funds are administered through the California Climate Investments (CCI) program. CCI is the overarching statewide program that puts Cap-and-Trade proceeds to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment – particularly in disadvantaged communities.

Old Equipment:

Year	Make	ID #	Model
1998	Thomas	32	School Bus
1998	Thomas	35	School Bus

New Equipment:

Make	Model	Tentative Award
Two (2) Thomas	Saf-T-Liner HDX	\$328,000.00

If you accept the tentative award amount and would like to participate in the Program, please contact Sondra Spaethe, Planning and Engineering Supervisor, at (530) 634-7659 ext 210 or [sspaethe@fracmd.org](mailto:sspaethe@fracmd.org).

The District looks forward to working with you to improve air quality in Yuba and Sutter counties.

Regards,

Christopher D. Brown, AICP  
Air Pollution Control Officer
