

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT
MEMORANDUM
02/27/2017

TO: FRAQMD BOARD OF DIRECTORS

FROM: Christopher D. Brown, AICP, APCO

SUBJECT: Approve the appointment of applicants for the Hearing Board vacancies for the period of 02/28/2017 to 02/28/2020.

RECOMMENDATION:

Approve the appointment of applicants for the Hearing Board vacancies for the period of 02/28/2017 to 02/28/2020.

ALTERNATIVE:

Do not approve the appointment of applicants for the Hearing Board vacancies.

BACKGROUND:

The California Health and Safety Code section 40801 states that a hearing board shall consist of (a) one member admitted to the practice of law in this state. (b) One member who is a professional engineer registered as such pursuant to the Professional Engineers Act. (c) One member from the medical profession whose specialized skills, training, or interest are in the fields of environmental medicine, community medicine, or occupational/toxicologic medicine. (d) Two public members.

Section 40802 states that if the district board, in the case of a district with a population of less than 750,000, is unable to appoint a person with the qualifications specified in section 40801 who is willing and able to serve, and for that reason a vacancy exists on the hearing board, the district board may, in order to fill that vacancy, appoint any person to the hearing board.

DISCUSSION:

The District has three incumbent hearing board member positions that have expired along with one vacant member to appoint. A total of three applications have been received, the three incumbents; Mr. Bob Barkhouse, member of the public, Mr. Sean Minard, professional engineer and Mr. Donald Rae, a member of the public. The applications are attached to this memorandum.
